THE COMPANY

The Company:

La Bottega Fantastica S.r.l. is a renowned firm that, with constant commitment, operates in the field of the theatrical and cinema set, extending its work to the realization of big events and business set ups.

The workshop, where all the planning and realization activity takes place, it's divided into different, specialized departments:

- Planning and Graphic Elaboration
- Carpentry
- Scenography
- Props
- Tailoring
- Sculpture

Service:

La Bottega Fantastica S.r.l. hires out and sells theatrical and cinema scenographies, sculptures, accessories, furniture and reproductions of furnishings of different historical periods, which, upon request, can be integrated with pyrotechnic effects and big projections.

Besides the possibility to choose among scenographies conceived and realized by us during the years and kept in our deposits, our specialists can also realize products upon request.

All our products are made with fireproof material class 1 of whom we can provide a certification granted by the home office.
